Fred and my dad have been friends for 15 years. Now that I'm in college I know that I can call on Fred and his team whenever I need. They do a great job!

Baylee,
Your Kia only needed a slight adjustment to the belt. Glad we could alleviate that annoying belt squeal. Hope college is going well for you. Keep up the hard work. Tell Zach and your dad, Blaine, we say hi. Fred

Fred helped me replace my radiator for a good price! He was very friendly and helpful, I will definitely be coming back! Plus his shop is only a 10 minute walk from my neighborhood.
